Life Member's Night

November 16, 2004
The ASM Online
Micrograph Database

How many times have you spent hours searching the various volumes of the ASM Handbook series for micrographs of an alloy which you were not familiar with? ASM has now placed all of the micrographs from Volume 9 of the handbook series, and a portion of the new micrographs received as part of the current revision process on their Materials Information Database.

Ed will take us through the process of logging into the database, searching and saving the micrographs for inclusion in a report. He will also give a brief introduction of other ASM online products such as the new Failure analysis database.

Reservations due by
Monday November 15th

Location: Leco Corporation
3000 Lakeview Ave.
St. Joseph, MI 49085
Phone: (800) 292-6141

Notre Dame Chapter

Notre Dame Chapter Chairman Charles Parker presents a Notre Dame Chapter coffee cup to Pat Scalera of Henkel Surface Technologies following the October meeting. Pat provided a very interesting, informative and pertinent talk on non-chromate conversion coatings for aluminum and its alloys.

Directions to Leco Corporation

From South Bend: Take the US 31 bypass North to exit 15B (Michigan state route M139). Proceed toward St Joseph to Michigan state route M63 (Stoplight). Turn left on M63 and proceed to Hilltop Road (No stoplight). Turn left on Hilltop and proceed to Leco's entrance.

Meeting Location

Chapter Officers: Charles Parker - Chairman (574) 231-2810; Vice Chairman (574) 293-7511; Jon Oram - Secretary (574) 236-5161; Walt Hornberger - Treasurer (269) 683-5208; Patric Foster - Past Chairman (269) 982-2266
Board Members: Ed Cataldo, Jim Hendricks, Jim Chan, Lori Culver, Rick Gordon, Frank Metelka
